

Gigi's Story

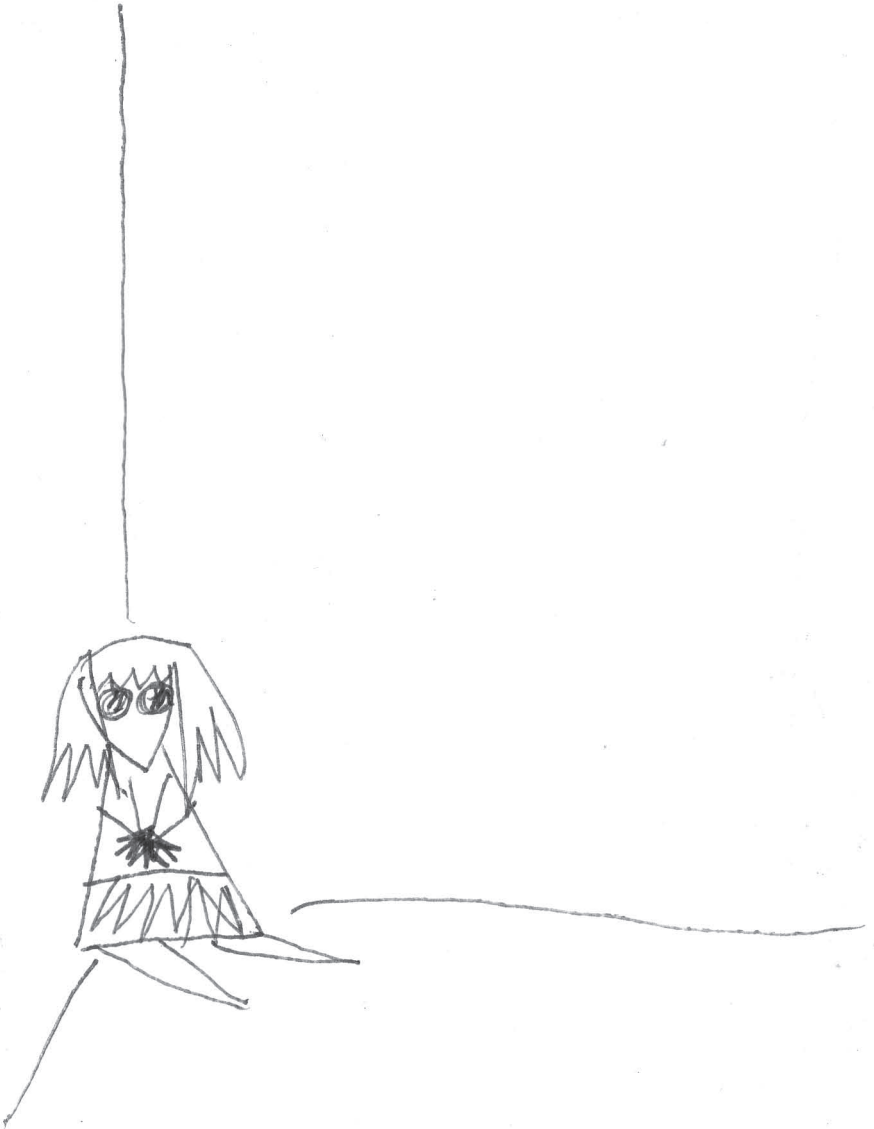

A long time ago.

We can't deal with you right now.
Stay here and be quiet and we will
come back later. It will be good.

And I waited.

And waited.

And waited.

But they never
came back.

Maybe I'm dead.
That's why they forgot.

— Maybe they need a long time.

— Maybe it's a test.

Rogan didn't want to be forgotten.
He got loud. It went very badly for him.

You are not our child! She was
good and quiet and stayed where
we put her! Take drugs and go
away! But stay here.

Ha ha! I am smart and
good! I don't bother them.
They will love me best.

Rogan is stupid.

But they didn't love me best.
They didn't even know me.
They never came back.

I don't care! They are
stupid ugly people! I don't
need them! Who cares!

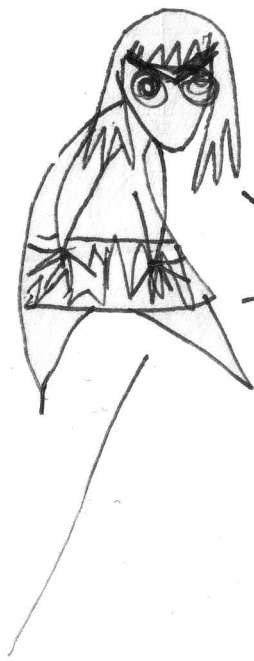

But just to be sure,
I will wait a while longer.
You never know.

It didn't work.

I am stupid for
even falling for that
trick! Stupid, stupid!

mad mad mad
mad mad mad
mad mad

Grr.

Come back!

But I knew they were never coming
back. And they never did.

The End

Maybe they will one day.
/ Maybe I did it wrong.

No they won't.
Get out of the corner.
They are gone now.
Stop being sad.
