Being multiple allowed us to escape ABUSE.

When I was created,
we were with an
ABUSIVE
BOYFRIEND.

If not for **ROGAN**,
we might have
MARRIED
him.

Later on,
things with our
family
WORSENERD.

If not for
Mac and &,
we might have
STAYED.

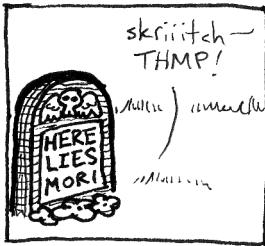

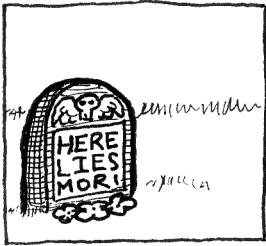

Despite our conflicts,
we always have
EACH OTHER.

for better or worse.

CRAZY FUN

After the gloom of the Homeless Year and All in the Family, the fine folks of LB take a commission. The subject? "What's your favorite part of being multi?"

Being eight people in one body isn't all bad, after all. There are fun parts too. Rogan, Mac, Sneak, Miranda, Mori, and Gigi each take a page to share their favorite parts of being them.

Made for courageous--me on tumblr.
