

Artist Statement: We make mental health comics, zines, essays, and psy-fi, often focusing on plurality (folks with more than one self per body). On a volunteer basis, we also maintain catalogs of plural resources, archives, and stories. We believe in embracing imperfection, being of service, and making ourself useful.

Publications

- *Genderful*. Writer, illustrator. 2025.
- *I.W.M.C.* Writer, illustrator. 2025.
